BIV recognizes fastest-growing companies at awards presentation

Web platforms for real estate transactions, Internet telephone technology and foam-moulded shoes took top honours at *Business in Vancouver's* annual awards presentation for British Columbia's top-100 fastest growing companies. The list (*BIV* issue 984; September 2-8) put **OneMove Technologies Inc.** at the top, with a five-year revenue growth of 43,553%, followed by **CounterPath Corp.** (39,383%), **Holey Soles Holdings Ltd.** (32,353%) and mining company **Eastern Platinum Ltd.** (30,696%).

The presentation took place at the Vancouver Club last week, and recognized for the first time since the rankings have been produced that four companies recorded a more than 10,000% increase in revenue between 2003 and 2007. ■
